ALEXANDER PROFESSIONAL STUDIES (APS) is now an official accredited training partner of the UK-based Chartered Institute for Securities & Investment (CISI).

The Chartered Institute for Securities & Investment is the leading professional body for securities, investment, wealth and financial planning professionals. Founded in the London Stock Exchange in 1992, today the CISI is a global body operating in 104 countries, including Cyprus.

CISI's qualifications are recognized by the FSA (the UK's Financial Securities Authority) and the FSSC (the UK's Financial Services Skills Council) as the most credible examinations for professionals in the financial services sectors, including risk & asset managers, reconciliation officers, analysts, bankers, mutual funds managers, investment fund managers etc.

During the event the partnership's goals will be outlined, with special emphasis placed on the potential of education, as well as the strengthening of continuous development for sector professionals and students and graduates of the various qualifications provided by the CISI.

The CISI's president in Cyprus Mr. Petros Florides (Chartered FCSI), the Alexander College's Managing Director Mr. Andy Loppas and the Head of Alexander Professional Studies Mr. Constantinos Aristophanous, will all be speaking at the event.

Also attending the event will be several government representatives, renowned industry professionals, as well as key members of various professional bodies.

APS' mission is the provision of high-quality education and training to Cyprus-based professionals of various sectors such as the Financial Services & Investments, Compliance and Risk Management.

By acquiring the CISI's globally accredited qualifications, industry professionals, new entrants to the sector, as well as graduates and students can become members of the CISI – entrance to which enables them to demonstrate their professionalism as well as inform their skills through an objective continuous professional development programme (CPD).

The financial services sector in Cyprus continues to flourish, enabling the continuous evolution of the financial services sector inside and outside of the European Union.

Entrance to the event is free.
